

# Bubble Popping – Game Instruction

**Title:** Bubble Popping

**Category:** Outdoor

**Subcategory:** Kids

**Players:** 1 or more

**Time Required:** 10–15 Minutes 

---

## Description

Bubble Popping is a joyful and energetic outdoor game where children chase and pop floating bubbles. It's perfect for younger kids to develop coordination, enjoy fresh air, and share laughter in a carefree environment.

---

## Materials Needed

- Bubble solution
  - Bubble wands or automatic bubble machine
  - Open space (yard, garden, park)
- 

## How to Play

**Setup:**

- Fill the wand or machine with bubble solution.
- Ensure the area is safe and spacious.

**Objective:**

Pop as many bubbles as possible before they float away!

**Rules:**

- One player or adult blows bubbles (or uses a machine).
- Other players run, jump, and try to pop them with hands, fingers, or even heads.
- Make it competitive by counting pops or timing rounds.

**Winning:**

Players can compete to see who pops the most bubbles or simply play for fun with no score.

---

## Tips & Variations

- Use scented or colored bubbles for sensory play.
- Add music for a bubble dance party.
- Create a “bubble zone” with buckets and tools for DIY bubble fun.
- Set bubble-popping challenges like “pop 10 with one hand.”
