

Toy Wash Station – Game Instruction

Title: Toy Wash Station

Category: Outdoor

Subcategory: Kids

Players: 1+ players

Time Required: 15–25 minutes

Description

Turn cleaning toys into a fun, bubbly outdoor activity kids will love.

Materials Needed

- Plastic toys
 - Bins or buckets
 - Water
 - Soap or bubble bath
 - Sponges and towels
-

How to Play

- Fill one bin with soapy water and another with clean rinse water.
 - Place dirty or dusty plastic toys nearby.
 - Let kids use sponges to scrub the toys in the wash bin.
 - After scrubbing, rinse the toys in clean water.
 - Dry the clean toys using towels or leave them to air dry.
-

Tips & Variations

- Make it themed — toy car wash, dinosaur spa, or action figure salon!
- Use gentle dish soap or bubble bath that's safe for skin.
- Add music or set a timer for a cleaning race.
