

Jenga – Game Instruction

Title: Jenga

Category: Indoor, Family

Players: 2 or More

Time Required: 15–40 Minutes

Description

Jenga is a suspenseful stacking game where players take turns removing blocks from a tower and placing them on top without causing it to fall. It's a fun test of balance, patience, and nerves.

Materials Needed

- Jenga block set (54 wooden blocks)
 - Flat, stable surface
-

How to Play

1. Stack the blocks in layers of three, alternating direction per layer.
 2. Players take turns removing one block at a time from anywhere below the top layer.
 3. After removing a block, place it carefully on top of the tower.
 4. Continue taking turns until the tower collapses.
 5. The player who caused the collapse loses the game.

Tips & Variations

- Play with one hand to make it more challenging.
- Use a timer to limit decision time.
- Play elimination rounds in groups for longer fun.
- Add dares or questions to each block for a party twist.
