

# Fashion Sketching – Game Instruction

**Title:** Fashion Sketching

**Category:** Indoor

**Subcategory:** Females

**Players:** 1 or more

**Time Required:** 15–25 Minutes

---

## Description

Fashion Sketching is a creative indoor game that allows players to imagine and design their dream outfits. Using sketchbooks and coloring tools, participants can express their fashion sense by drawing dresses, suits, or even whole collections, just like a real fashion designer.

---

## Materials Needed

- Sketchbook or plain drawing paper
  - Pencils
  - Colored pens or markers
  - Stencils or model outlines (optional)
- 

## How to Play

**Setup:**

- Provide each player with drawing materials.
- Offer printed model outlines or let them draw their own figures.

**Instructions:**

- Begin sketching a clothing item or outfit – be creative with colors, patterns, and styles.
- Design accessories like shoes, bags, or jewelry.
- Players can choose themes such as summer fashion, winter wear, or red carpet looks.
- Optionally, cut out the designs and use them to “dress up” paper models.

**Sharing:**

- After sketching, players can show their designs to others and explain their choices.
  - Optionally, set up a mini fashion show or competition.
- 

## Tips & Variations

- Set time limits to create quick sketch rounds.
- Create a collection around a theme (e.g., beachwear, vintage, party).
- Use fashion magazines for inspiration.
- Award fun titles like “Most Creative” or “Best Accessory Design.”
