

# UNO – Game Instruction

**Title: UNO**

**Category: Indoor, Family**

**Players: 2–10**

**Time Required: 15–30 Minutes**

---

## Description

**UNO is a fast-paced, color and number-matching card game. The goal is to be the first player to get rid of all your cards by matching them with the top card of the discard pile, using action cards to challenge opponents and reverse the game.**

---

## Materials Needed

- **1 UNO card deck (108 cards: number, action, and wild cards)**
- 

## How to Play

- 1. Shuffle the deck and deal 7 cards to each player. Place the rest as the draw pile and flip the top card to start the discard pile.**
- 2. On your turn, match a card from your hand to the top discard card by either number, color, or symbol.**
- 3. If you cannot play, draw a card. If playable, you can play it.**
- 4. Action cards:**
  - **Skip: Next player loses their turn**
  - **Reverse: Reverses the order of play**
  - **Draw Two: Next player draws 2 cards and loses a turn**
  - **Wild: Change the color in play**
  - **Wild Draw Four: Change color + next player draws 4 cards**
- 5. Say "UNO" when you have only one card left. If another player catches you without saying it, draw 2 cards.**
- 6. First player to discard all their cards wins.**

---

### **Tips & Variations**

- **Watch other players' reactions—predict their hand.**
- **Play tournament style with point scoring: First to 500 wins.**
- **House rule: stacking Draw cards is optional but fun.**
