

# Toy Car Races – Game Instruction

**Title:** Toy Car Races

**Category:** Outdoor

**Subcategory:** Kids

**Players:** 2+ players

**Time Required:** 10–20 minutes

---

## Description

Race toy cars down ramps or across tracks to see which one goes fastest or farthest!

---

## Materials Needed

- Toy cars
  - Flat surface or ramps (cardboard, plastic, wood)
  - Start and finish lines (optional)
- 

## How to Play

- Set up a race track or ramp using household materials like cardboard or wooden planks.
  - Each player selects a toy car and lines it up at the starting point.
  - On signal, release the cars at the same time.
  - Observe which car reaches the finish line first or travels the farthest.
  - Repeat multiple rounds and keep score if desired.
- 

## Tips & Variations

- Try different ramp angles to change race dynamics.
- Let kids decorate their cars for extra fun.
- Use timers for solo time-trials or create mini tournaments.
