

Scavenger Hunt – Game Instruction

Title: Scavenger Hunt

Category: Outdoor

Subcategory: Family

Players: 2 or more (individuals or teams)

Time Required: 20–40 Minutes 🔍

Description

Scavenger Hunt is a thrilling outdoor game where players search for a list of specific items within a set area and time limit. It promotes teamwork, observation, and adventure, making it perfect for families and mixed-age groups.

Materials Needed

- A pre-made scavenger list (printed or digital)
 - Bags or containers for collecting items
 - Pens/pencils to check off items
 - Optional: Prizes for winners
-

How to Play

Setup:

- Create a list of 10–20 common or themed outdoor items (e.g., leaf, rock, bottle cap, red flower).
- Set a search area and time limit.
- Divide players into individuals or teams.

Objective:

Find all items on the list within the given time.

Rules:

- Players can only collect one of each item unless stated otherwise.
- Stay within the designated area.
- Use teamwork and communication if playing in teams.
- At the end, check off all valid items found.

Winning:

The player or team that finds the most items on the list wins.

Tips & Variations

- Make themed hunts (nature, colors, shapes).
- Use riddles as clues for older players.

- **Add photo hunts using smartphones instead of collecting objects.**
- **Include bonus point items for tie-breakers.**
