  - Markers, pencils, or pens
  - Timer or stopwatch
  - List of clue words or prompt cards (e.g., pizza, rainbow, dancing, phone)
- 

## How to Play

- Divide into two or more teams.
  - One player draws while their team guesses the word within a time limit (e.g., 60 seconds).

  - If the team guesses correctly, they score a point.
  - Rotate drawing roles and alternate turns between teams.
  - The team with the most points at the end wins!
- 

## Tips & Variations

- Use family-friendly themes: food, places, emotions, famous cartoons.
- Have a “Kids Round” with easier words for younger players.
- Play “Reverse Pictionary” — the team describes while one player draws!
- For large families, create a tournament-style bracket.
