Title: Treasure Dig

Category: Outdoor

Subcategory: Kids

Players: 2 or more

Time Required: 15–25 Minutes 

Description

Treasure Dig is an exciting outdoor activity where kids become adventurers, digging through sand or dirt to uncover hidden "treasures." It's a thrilling sensory game that sparks imagination and rewards curiosity.

Materials Needed

- Sandbox, patch of dirt, or large containers filled with sand
 - Small treasures (coins, toys, gems, shells)
 - Small shovels or scoops
 - Buckets or bags to collect treasures
 - Timer (optional)
-

How to Play

Setup:

- Bury small treasures in the sand or dirt area.
- Define the digging boundary and provide tools.

Objective:

To find and collect as many treasures as possible within a time limit.

Rules:

- Players start digging when the timer begins.
- Each player collects treasures in their bucket.
- When time is up, count the treasures each player found.

Winning:

The player with the most treasures wins. You can also reward everyone with a small prize.

Tips & Variations

- Assign point values to different treasures (e.g., gold coin = 5 points).
- Hide special items that unlock bonus rounds.
- Turn it into a team challenge.

- **Add a storyline, like pirates searching for lost treasure.**
- **Use glow-in-the-dark items for an evening dig adventure!**
