---

## Description

A gentle outdoor adventure where players search for colorful or rare flowers, turning the garden into a magical blooming quest.

---

## Materials Needed

- A checklist of flower types or colors
  - Small baskets or bags
  - Pencil or crayons to mark off finds
- 

## How to Play

- Give players a list or picture sheet of flowers to find.
  - Players explore the area and collect or point out matching blooms.
  - Use crayons to color in found flowers, or gently pick them to place in baskets.
- 

## Tips & Variations

- Turn it into a “princess quest” to find the royal bouquet.
- Use flower stickers or stamps for younger players.
- Offer a prize for the prettiest found flower or most creative bouquet.
- Take pictures of rare finds for a flower journal.
