

# Petal Relay – Game Instruction

**Title:** Petal Relay

**Category:** Outdoor

**Subcategory:** Females

**Players:** 4+ players (in teams)

**Time Required:** 15–20 minutes

---

## Description

A light and lovely race where players carefully carry flower petals to fill their team's bloom basket without dropping any!

---

## Materials Needed

- Flower petals (real or artificial)
  - Spoons, cups, or small bowls
  - Decorated containers at the finish line
- 

## How to Play

- Teams line up with a bowl of petals at the start.
  - One at a time, players carry petals in a spoon across to a basket.
  - The next teammate goes when the spoon is passed back.
  - The team with the most petals wins the “Garden Queen” title!
- 

## Tips & Variations

- Require players to walk like ballerinas or fairy princesses.
- Add obstacles like flower arches or hopscotch paths.
- Use pastel or color-themed petals for extra charm.
- Award bonus points for neatness and elegance.
