

Makeup Memory – Game Instruction

Title: Makeup Memory

Category: Indoor

Subcategory: Females

Players: 2 or more

Time Required: 10–20 Minutes

Description

Makeup Memory is a fun and lighthearted game where players test their memory by replicating a makeup look after a quick glance. Perfect for girls' nights or parties, this game brings creativity and laughter with every brushstroke.

Materials Needed

- Basic makeup set (lipstick, blush, eyeshadow, etc.)
 - Mirror for each player
 - Timer or stopwatch
 - Makeup remover wipes (optional)
-

How to Play

Setup:

- One player (or a model) creates a simple makeup look.
- All participants observe the look for 30–60 seconds.

Instructions:

- After viewing, players try to replicate the makeup from memory on themselves or a friend.
- Set a timer (5–10 minutes) for application.
- Compare the recreated looks to the original.

Judging:

- The model or a designated judge chooses the closest or most creative recreation.
-

Tips & Variations

- Try themed rounds (e.g., bold lips, natural glow, party glam).
- Add blindfolded challenges for extra fun.
- Use a scoring system based on accuracy, creativity, and neatness.
- Pair players for a team-based makeover battle.
