

Canoe Relay – Game Instruction

Title: Canoe Relay

Category: Outdoor

Subcategory: Males

Players: 4+ players (in teams)

Time Required: 20–30 minutes

Description

A competitive water-based relay race where team members paddle canoes to complete laps or reach checkpoints.

Materials Needed

- Canoes or kayaks
 - Paddles
 - Life jackets
 - Buoys or cones to mark course
-

How to Play

- Divide players into even teams.
 - Set up a water course with a start point and a turnaround buoy.
 - Each player on the team takes turns paddling to the buoy and back.
 - Once a teammate finishes, the next one jumps in and repeats the route.
 - First team to have all members complete the course wins.
-

Tips & Variations

- Always wear life jackets for safety.
- Adjust the course length based on age and skill level.
- Add extra challenges like “backward paddling” or carrying an object.
