-

How to Play

Setup:

- Prepare 5–10 clues that lead from one location to another.
- Hide the clues and treasure in advance.
- Divide players into teams and give each team the first clue.

Objective:

Be the first team to solve all clues and reach the hidden treasure.

Rules:

- Teams must solve one clue before moving on to the next.
- No running (optional rule for fairness and safety).
- Teams must stay together.

Winning:

The first team to find the treasure wins the hunt!

Tips & Variations

- Add riddles, puzzles, or physical tasks for each clue.
- Theme the treasure hunt (pirates, jungle, detective, etc.).

- **Include decoy clues or dead ends for added difficulty.**
- **Provide small prizes for all participants to keep it fun.**
