

# Room Makeover Game – Game Instruction

**Title:** Room Makeover Game

**Category:** Indoor

**Subcategory:** Females

**Players:** 1 or more

**Time Required:** 30–60 Minutes 

---

## Description

The Room Makeover Game is a creative and hands-on activity where players redesign or tidy up a room space within a time limit or based on a specific theme. It blends fun, organization, and design inspiration, making it a great game for solo play or group challenges during slumber parties or family weekends.

---

## Materials Needed

- Home décor items (pillows, blankets, posters, etc.)
  - Storage bins or boxes
  - Art supplies for DIY decoration
  - Cleaning tools (optional)
  - A camera or phone for before-and-after photos
- 

## How to Play

**Setup:**

- Choose a room or space (e.g., bedroom, study corner).
- Set a timer and choose a makeover theme (e.g., cozy, beach vibe, minimalist).

**Objective:**

Transform the space to match the theme creatively while keeping it clean and organized.

**Rules:**

- Each player has a set time (e.g., 30–60 minutes) to complete their makeover.
- Use only items available in the house.
- Take “before” and “after” pictures for comparison.
- Optional judging based on creativity, neatness, or theme matching.

**Winning (Optional):**

Hold a mini vote among family or friends or give awards like “Most Creative” or “Best Transformation.”

### Tips & Variations

- Do a budget challenge—redesign using only items under a set price.
- Create a Pinterest board for inspiration before starting.
- Add DIY crafts like painted jars or photo collages for a personal touch.
- Try the "blind makeover" where others surprise you with the room style.
- Use color themes like "all-pink room" or "green and gold glam."
