

Ludo - Game Instructions & Tips

How to Play:

1. Each player gets 4 pawns of one color.
2. Roll a 6 to bring a pawn out of home.
3. Move tokens forward by the number on the dice. Choose any of your tokens.
4. Land on an opponent to send their token back home (except in safe zones).
5. Get all 4 tokens to the center to win!

Tips & Variations:

- Try playing with two dice for a faster-paced game.
- Introduce power-ups or penalties on certain squares to make the game more unpredictable.
- Use a timer for each player's turn to keep the pace lively.
