

Musical Chairs – Game Instruction

Title: Musical Chairs

Category: Indoor

Subcategory: Kids

Players: 4 or more

Time Required: 15–30 Minutes 🎵

Description

Musical Chairs is a high-energy and entertaining game perfect for children's parties or group gatherings. It blends movement, music, and quick reflexes, ensuring laughter and excitement as players scramble for a seat when the music stops.

Materials Needed

- Chairs (1 fewer than the number of players)
 - Music player or speaker
 - Space to form a circle
-

How to Play

Setup:

- Arrange chairs in a circle with the seats facing outward
- Ensure there's one fewer chair than the number of players
- Designate someone to control the music

Objective:

To grab a seat when the music stops.

Rules:

- All players walk around the chairs while the music plays
- When the music stops, players must quickly find a chair to sit in
- The player left standing is eliminated
- Remove one chair and repeat until one winner remains

Winning:

The last player remaining is the winner.

Tips & Variations

- Use fun and unexpected music to keep players guessing
- Change directions mid-game for added challenge
- Introduce themes like “freeze before sitting” or “dance while walking”
- Allow eliminated players to become “music controllers”
- Play multiple short rounds to keep everyone engaged
